

VENTURE 1

The May 2024 Click

Are you ready to experience the next generation of AI-Powered PCs?

Microsoft's new Surface devices with Qualcomm chips bring advanced AI features and extended battery life, launching in June and marking a new era in AI-integrated computing.

Say goodbye to passwords

The Future of Authentication

Say goodbye to passwords! Google and Amazon lead the shift to secure, convenient passwordless authentication.

Tech Insight:

Azure Migrate with Azure Arc Extended Security Updates (ESU)

Microsoft's ESU program offers security for legacy systems, while Azure Migrate ensures a smooth transition to modern platforms with expert help from Venture 1 Consulting.

Get Involved with The Click!

We'd really welcome your feedback on our newsletter.

As always, we thank you for reading The Click. We look forward to showcasing more of the culture, people and work we do at Venture 1 in future editions

The Venture 1 Team.
